

Self contained luminaire

Busalla  
wall mounted luminaire

#### Product Description

This stylish circular luminaire can be ceiling, wall mounted or semi-recessed (with optional semi recess kit) and has an opal impact resistant polycarbonate diffuser which reduces glare and provides an even visual level of illumination.

High efficiency 2D compact fluorescent lamps are incorporated for reduced energy consumption and combined with high frequency control gear there is flicker free operation, instant start and an extended lamp life. Emergency versions are also available.

#### Product Features

- Energy efficient high frequency control gear as standard
- Easy lamp replacement and maintenance
- Opal impact resistant polycarbonate diffuser & spun metal gallery
- High quality sub components used for an extended service life.
- Mains emergency versions available
- Optional semi-recess kit available

#### Applications

- Schools
- Libraries
- Reception areas
- Leisure Centres
